

Follow Up Bible Studies

After you take someone through the First Principles Study Series for Making Disciples and then you baptize them, now what do you study with them going forward?

These 15 "follow up" studies are to be used in your weekly face-to-face discipling times with newly baptized disciples. Do not confuse individual morning "quiet times" with the below "follow up" studies. They are two different but equally vital forms of spiritual training.

While this series is designed for teaching new members of the church in a one-on-one setting, note that the lessons are relevant and just as powerful for older disciples as well. Some of the below follow up studies are lengthy, and breaking them up into smaller parts is fine. There is no need to rush through the series just to get it done. Take your time, study the verses cited together and discuss them in great detail along with the heart-stirring questions.

A version of these studies originally appeared in the first edition of "The Disciple's Handbook" (now out of print). Special thanks go to Sam McMurray for typing this out.

IMPORTANCE OF BIBLE STUDY

1. Attitude

How we should view God's Word?

John 12:47-48 -- God will use it as the standard of judgement. Example: Final exam for college course, the test will be from the text.

Luke 2:46-47 -- Be like the young Jesus in his love for the word.

Mark 1:35 -- Sacrifice to have your time with God like Jesus did.

2. Application

How should we use it?

James 1:22-25 -- Do what it says!

Hebrews 4:12-13

- Use it to find out what our hearts are really like and change that which is not pleasing to God.
- Use it as a "scalpel" to cut out the sin in our lives and in the lives of others.

3. Rewards

What benefits do we get from God's Word?

2 Timothy 3:16-17 -- We will be well equipped/able to teach. God speaks through his word.

- Also pray as needed throughout your reading (in the middle as something occurs to you, at the end, etc).

Make your time with God last all day long.

- Put into practice what you've learned.
- Share what you've learned with others.
- Memorize scripture (Psalm 119:11).

SEEKING ADVICE

1. Character: Wise or Foolish (Proverbs 12:15)

- A fool does what he wants without advice.

- You are wise when you accept advice.

Q: Why is it sometimes to do what you feel without getting advice? (Proverbs 14:12, Jude 1:10)

2. Outcome: Success or Failure (Proverbs 15:22)

- Many advisers bring success.

- Areas of importance: marriage, dating, parenting, finances, work, etc.

Q: What effect will our pride have on our seeking advice? (Proverbs 13:10)

3. Basis of Advice: Word of God or Feelings. (2 Timothy 4:1-4)

- God's Word is the source of the principles (Colossians 3:16).

- Do not seek advice from those who will tickle your ear (Ephesians 4:15).

4. Effectiveness: Best or acceptable. (1 Corinthians 10:23-24)

- Disciples should strive to be our best, not just "OK."

- Seeking advice helps us become more confident--not just getting by.

5. Advisor Examples: Moses, Jehoshaphat (Exodus 18:13-16, 1 Kings 22:1-6)

- Moses heard Jethro's advice and took it. "He did everything he said." (vs 24)

- Moses could not handle his situation so he went to Jethro, a man who was more mature than Moses. - Jehoshaphat was defeated because he accepted the advice of unspiritual rather than spiritual men.

Most Common Pitfalls in Seeking Advice:

When You've...

1. Already made up your mind looking for a seal of approval.

2. You ask without explaining the whole picture.

3. Going to non-credible or non-authority advisor.

4. Not listening with an open heart.

5. Getting advice when it's too late for another recourse.

Suggested Scriptures:

Proverbs 3:5-7, 8:17, 9:8, 10:8, 10:17, 11:14, 12:1, 15:31, 19:20, 20:18, 26:12, 27:17, 1 Thessalonians 5:12-13, Colossians 1:28-29

KEEP YOURSELF so PRODUCTIVE doing good that Satan can't get in. Example: when tempted, write a note, call someone, go share your faith, etc.

PERSECUTION

1. Guarantee of Persecution

- Jesus Christ (John 15:20), Paul (2 Timothy 3:12)

HEART OF A DISCIPLE

Becoming a Disciple

Stages of Progression of the Heart (Simon Peter) Luke 5:1-11

(vs. 5) Submission, "Because you say so, I will"

- Even if it does not completely make sense
- Even if it is contrary to what I was taught before.

(vs. 8) Conviction, "Go away from me... I am a sinful man."

- Convicted of sin (unseen and seen) in inner life - Feel like withdrawing from the Lord, or church of faithful Christians.

(vs 10) Purpose, "Don't be afraid; from now on you will catch men."

- The right purpose puts perspective on the matter. Instead of shrinking back, Simon is called higher through Jesus' purpose for him.

(John 15:1-8) There would be pruning in Simon's life through this new purpose that would deal with his being a "sinful man."

(vs 11) Commitment, "They left everything to follow him."

- They were willing to leave.
- It was immediate. Go anywhere and anytime.

BEING A SERVANT

1. Great Servant -- Mark 10:41-45

- There is nothing wrong with wanting to be great. Jesus didn't confront their desire to be great, only their method.

- Greatness comes through being a servant. Your greatness in the Kingdom is only limited by your willingness to be slave of all!

2. Selfless Servant -- Philippians 2:5-7

- Jesus set the pace for us by becoming a servant. He made himself nothing--for us.

Question: What are you making yourself into?

Question: How much does "self" matter to you?

Question: How much does "self" influence your daily decisions?

- Self-denial is the essence of service. Luke 9:23 -- Must deny self daily. Denying self = denying ungodly feelings.

3. Humble Servant -- Luke 17:7-10

Question: What should our attitude be while serving?

- Grumbling Servant -- "I'll serve, but I'm not going to like it." (Galatians 5:13).
- Complaining servant -- "Why do they always ask me to serve?" (Philippians 2:14)
- Proud servant -- "I serve more than anyone and deserve recognition."
- We must be humble servants and serve with joy.
- When we serve, we've done nothing special except our duty.
- Selective Servant -- Serves only certain people (Proverbs 19:6), or will do some things, but not others.
- Convenient servant -- Serves only when it's convenient
- Lazy servant -- doesn't give his all (Colossians 3:17).

4. Excellent Servant -- Mark 7:37

- Jesus did all things well.
- When we serve, we must do so with excellence.
- Ephesians 6:7-8. When we serve, we must serve as though Jesus himself had asked us to do it!

LOVE OF GOD

Primer study to convince someone of God's love and how they can love God. Question: What is something that everyone is looking for? Love.

1 John 3:16 -- Jesus laid down his life for you. (Who do you know that would do that for you?). Then read John 3:16.

Illustration: A Father had one son. The father was a drawbridge operator for a railroad. He brought his five year old son to work one day. The son got his leg caught in the bridge gears and cried out to his father to help him. A radio call came to notify the bridge operator that a train was coming. The father must go save his son and let the 1,000 people crash into the river or let his son die and save the people. He pulls the lever to lower the bridge and crushes his son.

He cries and agonizes over his son. The train roars by and he looks up to see the people in the train. Some look at the son and look away. Some are too busy to notice. Some laugh and make fun of the son. Others are hurt and want to repay the father.

Question: How do you think the father felt when he saw those people? (This is how God feels. He sacrificed his son). Consider the beatings and the crucifixion, etc.

Question: What does God want in return from us? Love.

1. Obedience, 1 John 5:3

- It is a joy to love and serve God.
- Example: Husband that loves his wife and will do anything to please her.

2. Hunger and Thirst, Psalm 119:97

- Example: Cutting the grass under the sun in 95 degree temperature and thinking of ice cold lemonade. (It's the "I can't wait to" attitude.)

3. Getting rid of sin, Colossians 3:5-10, "put to death"

- What sins do you need to get out of your life?
- We should see each of our sins as driving the nail in Jesus' hands.

4. Seeking God, Matthew 6:33

- You need to come to church, Bible study, and develop Christian friendships.
- Other people who are seeking God help us seek God.
- Read a gospel and take notes. What impresses you about Jesus?

5. Loving God, 1 John 4:19-21

- Our relationship with God is reflected here.
- What relationships do you have that you need to get right? Do it immediately.
- Do you believe God loves you? Are you willing to return God's love?

How often every week can we get together to study?

- Can you come to church (with a friend)?
- Will you begin to read the Bible? Suggest one of the gospels.

"PHARISEE" LOVE OF GOD

The world has many ideas about how one should love God. The Pharisees were examples of people who were religious yet misunderstood loving God. Such misunderstandings are still very prevalent today. This study is about this love.

1. What loving God is NOT (in and of itself):

John 5:37-40 -- Diligent study of scripture

Matthew 6:1-2 -- Good deeds for others

Matthew 6:7 -- Lots of prayer

Matthew 6:17 -- Lots of fasting

Matthew 23:1-12 -- Leadership

Matthew 23:15 -- Evangelism

Matthew 23:23 -- Giving a tenth

- While the above activities are not wrong (and even noble if done with the right heart), they do not prove anything about whether a person inherently loves God (John 5:41-44).

Results of "Pharisee" Love of God (Matthew 23:23-28) = neglect the inward for outward appearance.

- Greed (vs 25) money, time attention, materialism
- Self-indulgence (vs 25) self-centeredness, self-involvement
- Deceit (vs 28) image to keep up, even to the point of keeping a lot of SECRET SIN
- Envy (Romans 11:11) envy those with real scriptural knowledge, conviction, purity
- Anger (Romans 10:19) towards those who imply they need to change.
- Pharisees with Jesus, Jews with Paul, dead religions with Bible preaching churches

2. What loving God is:

John 8:31-32 -- Where the Pharisees "diligently study" the Word, disciples (those who truly love God) apply it to their lives now. Both worship God, yet the disciple changes.

Question: What have you changed in the last four months for God?

John 13:34-35 -- Love others (disciples) as he loved. He poured out this amazing, sacrificial love even before he went to the cross. Both Pharisees and disciples give to the poor, but the disciple also gets involved in peoples lives for God (discipling).

Question: Who are who helping change (bringing to maturity) for God?

John 15:8, 16 -- Bearing "much fruit" is one of the main purposes of a disciple (one who truly loves God). Some Pharisees and all disciples convert people. Disciples should do it through the faithful and joyful lives they lead. They can build relationships right at home. Pharisees that convert others go do it somewhere and then they are not involved afterwards.

Disciples can point to much fruit "that will last" over a longer period of time. Pharisees don't produce fruit that will last or have much to show.

Question: Are you more like a Pharisee or a disciple. Jesus called the Pharisees hypocrites (Greek for "stage actor"). You can be a disciple and be taught how to love God in the way that God defines love.

CROSS (Longer Version)

1. The story: Matthew 26:36-27:54

As you take turns reading take notice of the various sufferings Jesus went through for you and me.

Physical Pain

Matthew 26:67 -- Spit in his face, struck with fists, slapped and taunted.

Matthew 27:26 -- Flogging

Matthew 27:27-31 -- Mocking

Matthew 27:32 -- Crucifixion

Emotional Pain

Matthew 26:36-38, Jesus' burden over his coming death

Matthew 26:40 -- Encounters loneliness and desertion (26:56). - Even from friends

Matthew 26:60 -- Falsely accused by the religious. Innocence.

Matthew 26:69-75 -- Peter's denial

Spiritual Pain

Matthew 27:46 -- Why did Jesus say this?

2 Corinthians 5:21 -- Jesus had never sinned (Hebrews 4:15). Jesus became sin on the cross (took away our sins) to give us a way out of slavery to sin. Do you remember the first time you ever felt really guilty for sin? Imagine Jesus.

2. Jesus took on our sins. (Isaiah 59:1-2) What did this cost him?

- Fellowship with God. 1 John 1:5, God is light, in him is no darkness.
- True separation. Jesus and God had never been separated before
- Scorn. Jesus had to endure severe treatment because of our sins.

3. Our response to this sacrifice

- Personalize: Realize that Jesus suffered and died because of your sin (immorality, drunkenness, hatred, bitterness, lying, etc).
 - If you were the only person who had ever lived, he still would have done that for you. He died knowing that some would not even care. John 3:16
- How does that make you feel? Acts 2:22-24, 36-37 -- Here is how others felt when hearing the same thing: "cut to the heart". If cut, good. If not, something is wrong.
- Illustration: one night you are walking home and begin to cross a busy street. Suddenly you feel yourself being pushed from behind.
